

**REMARKS**

The above preliminary amendment places the claims in the same form as in the Substitute Specification submitted with the filing of the application. Please consider the changes made in the Substitute Specification. The Substitute Specification filed does not include any substantive changes that would change the scope of the patent.

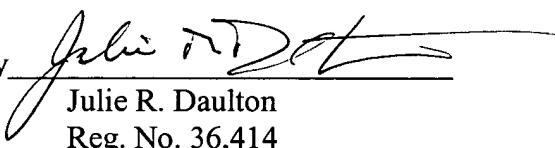

Applicants respectfully request that the preliminary amendment described herein be entered into the record prior to examination and consideration of the above-identified application.

If a telephone conference would be helpful in resolving any issues concerning this communication, please contact Applicants' primary attorney-of record, Julie R. Daulton (Reg. No. 36,414), at (612) 336-4724.

Respectfully submitted,
